Hard Times Send Me

Kaiser Chiefs

Hard times send me round the bendy
All I'm spending, is all weekending,
You're on my street, but we don't meet,
I've got neighbours, total strangersSpend the day with a friend, relax and go for meal. Spend the day with a friend..
STOP!!All week working, two nights drinking,
Was it worth it? What you thinking?
So let's quit work to-morrow morning,
The public transport, smells like urineI'm the king of the world and you're the king of my tribe here,
Try to give it a whirl, You don't know you might even like it,
La la la la la la la la la la la la la la la la la la STOP!!Ohhhhhhhhhhhhhhhhhhh
Ohhhhhhhhhhhhhhhhhh
Ohhhhhhhhhhhhhhhhhh
Ohhhhhhhhhhhhhhhhhh!!Why you rubbing your eyes? When you know that its making them redder,
Why you rubbing your eyes, right now it's not making them betterLa la la la la la la la la la la la la la la la la la la STOP!!
Ohhhh!
