This Far Before

Material Issue

I spend a lot of time thinkin' about you
Do you think about me?
I'm tryin' real hard, you know, to live without you
But girl can't you seeI've been watchin, been waitin'
Been anticipating to come inside your heart
And I'm wishin', I'm hopin', I'm laughin, I'm jokin'
Is this the end or the start?Because I've never fallen this far before
(Ever)
No, I've never fallen this far before
(Ever)My friends they tell me that I'm crazy
For lettin' you go
They just don't really understand you
They don't know what I know'Cause I got so frustrated last time that we did it
I just can't figure you out
Now, I'm laughin', I'm cryin', I'm hopin, I'm lyin'
I'm hopin' to get it worked outBecause I've never fallen this far before
(Ever)
No, I've never fallen this far before
(Ever)'Cause I've never fallen this far before
(Ever)
No, I've never fallen this far before
(Ever)I'm tryin' real hard not to think about you
But are you thinkin' 'bout me?
I don't know if I can live without you
But girl can't you see?'Cause I'm watchin, I'm waitin'
I'm anticipating to come inside your heart
You know I run right behind you but still I can't find you
I guess that we're [Incomprehensible] step too far'Cause I've never fallen this far before
(Ever)
No, I've never fallen this far before
(Ever)No, I've never fallen' this far before
(Ever)
No, I've never fallen' this far before
(Ever)
