

Don't Think Twice

Hikaru Utada

How did I live in a kingdom of thieves
And people who say
Things they don't really mean, really mean
You're only everything I ever dreamed,
Ever dreamed of
Ever dreamed of
You must be kidding me, did you really think
I could say no I want you for a lifetime,
So if you're gonna think twice, baby
I don't wanna know, baby, I don't wanna know
Everything is just right,
But if you're gonna think twice, baby
I don't wanna know, baby, I don't wanna know
I really don't get what everyone else believes
So why do I say
Things I don't really mean, really mean, oh
I'm only crying 'cause I never dreamed
It'd take this long
It'd take this long I want you for a lifetime,
So if you're gonna think twice, baby
I don't wanna know, baby, I don't wanna know
Everything is just right,
But if you're gonna think twice, baby
I don't wanna know, baby, I don't wanna know Don't think twice
Don't think twice
Don't think twice
Baby, don't think twice
If you want to take it to an even higher level
All you gotta do is say the word, you know I'll follow
If you want to take it to an even higher level
(I don't, I don't bite) If you want to make it happen nothing's impossible
All you gotta do is say the word and walls will crumble
If you want to make it happen nothing's impossible I want you for a lifetime,
So if you're gonna think twice, baby
I don't wanna know, baby, I don't wanna know
Everything is just right,
But if you're gonna think twice, baby
I don't wanna know, baby, I don't wanna know Kiss me once, kiss me twice
Kiss me three times

Cross the lineDon't think twice
Don't think twice
Don't think twice
Baby, don't think twiceKiss me once, kiss me twice
Kiss me three times
Cross the lineKiss me once, kiss me twice
Kiss me three times
Be mineDon't think twice
Don't think twice
Don't think twice
Baby, don't think twice
