

Please Be Mine

Jonas Brothers

They come and go but they don't know
That you are my beautiful
And I try to come closer with you
But they all say, we won't make it through But I'll be there forever, you will see that it's better
All our hopes and our dreams will come true
I will not disappoint you, I will be right there for you
Till the end, the end of time, please be mine I'm in and out of love with you
Trying to find if it's really true
How can I prove my love?
If they all think I'm not good enough But I'll be there forever, you will see that it's better
All our hopes and our dreams will come true
I will not disappoint you, I will be right there for you
Till the end, the end of time, please be mine I can't stop the rain from fallin'
Can't stop my heart from callin' you, it's callin' you
I can't stop the rain from fallin'
Can't stop my heart from callin' you, it's callin' you I can't stop the rain from fallin'
I can't stop my heart from callin' you, it's callin' you But I'll be there forever and you will see that it's better
All our hopes and our dreams will come true
I will not disappoint you, I will be right there for you
Till the end, the end of time, please be mine
