

I Misunderstood

Wanda Jackson

I MISUNDERSTOOD

(Wanda Jackson - Wendell Goodman)

'62 Combine Music
I misunderstood right from the start
While you gave just kisses I gave you all the love in my heart
I misunderstood how foolish I was
To think you would love me you never could but I misunderstood
I misunderstood your intentions for they seemed right to me
You showered me with attention and lies I wanted to believe
I misunderstood so darling you should
Love me or leave me I love you though I misunderstood
Love me or leave me I love you though I misunderstood
Love me or leave me I love you though I misunderstood
