Mr. lover, Mr. lover, Mr. lover  
Uh, uh, well

Shake a leg ya

I wanna see you dance on the dance floor watch it  
Move your body, move your body  
Some how  
Go Move to this, let me see you jump and twist  
Pump your fist 'cause you know it's hard to resist  
As long you know you're rollin' with the love specialist  
Feel the pow, let me put the groove in your hips The night is young, so let's go roll with the fun  
You got some gun, check it out, gimme some  
'Cause I'm about to play an old girl like a drum  
She shackatack, poor soul settle down Girl, what you gon' do with all that body  
(Shake it up all night)  
Careful with that thing before you hurt somebody  
(Tell me what you like)  
Do it, baby Let's dance, let's shout  
(Shout)  
Shake your body down to the ground  
Let's dance, let's shout

by the bathroom door  
Waitin' for the honeys as they leave the dance floor

Push up and get the niggas y'all ready for the score  
Now who's the dog, you're the one that sung hardcore  
Come on, I gotta take this part to a new high  
Keep it tight, ain't got no time for no fight  
You wanna be a player, better know to do it right  
Kissin' all the honeys under the disco light  
Girl, what you gon' do with all that body  
(Shake it up all night)  
Careful with that thing before you hurt somebody  
(Tell me what you like)

Doin' anything you and I can  
I'll take you where there's all night action  
Dancin' to the beat with a passion

Gotta one, just jigga, shake it up, gimme more  
Jerk chicken on the grill, so make the champagne pour  
Girl, don't be a drag, I might show you the door, what?  
I like to see bodies take and shake  
Dressed in lace, uh, and a perfect shape, uh  
Girls local and out of state  
I got a couple of them and I'm gettin' ready to mate  
Cassandra, let's shake
