Walking In The Shadow

Accept

All my fire ain't gone inside
Only with you I will survive
And I live in the shadow of this wall
With fifty-eight thousand all in allI surrender I surrender
Heart' n 'soul's gone to nowhereWalking in the shadow walking in the night
Walking in the shadow walking in the nightFor the very first time in your life
You've not been the last in line
You had to die instead of me
Do I have to live for you nowIs that what you want me to do
Live in agony and painWalking in the shadow walking in the night
Walking in the shadow walking in the night
In the nightWalking in the shadow walking in the night
Walking in the shadow walking in the nightOh, yeah!
Walking in the shadow walking in the night
Walking in the shadow walking in the night
In the night in the night
