

# Walking In The Shadow

## Accept

All my fire ain't gone inside  
Only with you I will survive  
And I live in the shadow of this wall  
With fifty-eight thousand all in all I surrender I surrender  
Heart' n 'soul's gone to nowhere Walking in the shadow walking in the night  
Walking in the shadow walking in the night For the very first time in your life  
You've not been the last in line  
You had to die instead of me  
Do I have to live for you now Is that what you want me to do  
Live in agony and pain Walking in the shadow walking in the night  
Walking in the shadow walking in the night  
In the night Walking in the shadow walking in the night  
Walking in the shadow walking in the night Oh, yeah!  
Walking in the shadow walking in the night  
Walking in the shadow walking in the night  
In the night in the night
