## Social Club

Social Club is the best

[MartyMar]

Yeah, should've never let us in  
I jumped off stage  
I need medicine  
Cuz' I got so high, I think I hit a fan  
Now, I hit a fan like a real person  
Everybody know where the party at  
Hit my phone if you need directions  
Wack rappers can get to steppin'  
I kicked 'em out of my house like bam  
I don't know how we do this  
Suburban youth with the turn up music  
Party with us and they heard we lose it  
Heard the music and they love the movement  
What's the trick?  
Don't know what we're doing  
I love God, I get so into it  
So into it, my head explodes  
Combover with the hipster clothes  
The boys are fighting and they hit my nose  
And I tried to stop it, but I think they know us  
Somebody screaming, everybody froze  
The cops are coming  
Everybody go!  
Everybody go!

[Hook]

Till the cops shut the party down  
It's a pizza party, yo!  
It's a pizza party, yo!  
Till the cops shut the party down  
It's a pizza party, yo!  
It's a pizza party, yo!  
Till the cops shut the party down

[FERN]

Yeah, they looked to the Social

Them boys who be constantly bringing that quality music  
They booked us on flights  
And they bring us to shows cause they know that we bringing that powerful movement  
Them misfits ridiculous, they know how we do it  
Turn up a whole generation with music  
It's always a mosh pit at all of our concerts  
And after that, IHOP, we're eating like mobsters (eating like mobsters)  
This is that proper, that music that makes us the cop at the after  
Everyone else needs to stop, I'm sorry  
Not sorry, but we rock the hardest  
Independent, no co-sign my brother, we got this  
Lord on my side so it's family: adopted  
My dog on the block is still playing with choppers  
That blakka that clear up your block up like voila!  
I told 'em we party, no guns in the building  
Even no weapon, we came here to kill it  
Dig it, first pick cold ice frigid  
Live it, what I tell all ya'll listening?  
Live it, what I tell all ya'll listening?

[Hook]

Till the cops shut the party down  
It's a pizza party, yo!  
It's a pizza party, yo!  
Till the cops shut the party down  
It's a pizza party, yo!  
It's a pizza party, yo!  
Till the cops shut the party down
