

Heaven

Simply Red

Ev'ryone is trying to get to the bar
The name of the bar
The bar is called Heaven Now the band in Heaven
They play my favorite song
Play it once again
Play it all night long Heaven is a place
A place where nothing
Nothing ever happens There is a party, everybody will be there
Everyone will leave at exactly the same time
It's hard to imagine that nothing at all
Could be so exciting, could be so much fun Heaven is a place
Place where nothing
Nothing ever happens
Nothing ever happens Now when this kiss is over it will start over again
It will not be any different, it will be exactly the same
It's hard to imagine that nothing at all
Could be so exciting, could be so much fun Heaven is a place
A place where nothing
Nothing ever happens Heaven is a place
It's a place where nothing
Nothing at all
Nothing ever happens
