Erotic Saints

Zeromancer

Erotic saints
Rated are
Rainbow veins
And sunlight scars
Say my name
Say my nameKeep me dry
In a cool place
Get me out
In a few days
I will feel so much betterUntil we all are grown apart
We live our lives the way we want
Until we all are torn apartBeen in for days
Neon tan
Asbestos lips
Will kiss your hand
Every word you say
Blow me awayThis is it
Here it comes
I Think I'll quit
To use my lungs
Beta dreams
Airbrush a tumorUntil we all are torn apart
Are torn apart
