

# You Need Me, I Don't Need You

Ed Sheeran

Now I'm in town break it down thinking' of making' a  
New sound  
Playing a different show every night in front of  
A new crowd  
That's you now hello child  
Seems a laugh its great now  
See me loose focus as I sing to you now  
And I can't no I wont hush  
I say the words that make you blush  
I'm gonna sing this now  
See I'm true my songs are where my heart is  
I'm like glue I stick to other artists  
I'm not you now that would be disastrous  
Let me sing and do my thing I move to  
Greener pastures  
See I'm real I do it all its all me  
I'm not fake don't ever call me lazy  
I won't stay put give me the chance be free  
Suffolk sadly seems to sort of suffocate me

Cos you need me man I don't need you  
You need me man I don't need you  
You need me man I don't need you  
Until you need me man I don't need you  
You need me man I don't need you  
You need me man I don't need you  
You need me man I don't need you until you  
Need me

I sing and write my own tunes and I write my  
Own verse hell  
Don't need another wordsmith to make my tunes sell  
Call yourself a singer writer you're just bluffing  
Names on the credits and you didn't write nothing  
I sing fast I know that all my shits cool  
I will blast and I didn't go to brits' school  
I came fast with the way I act right  
I can't last if I smoking on a crack pipe  
And I won't be a product of my genre

My mind will always be stronger, than my songs are  
Never believe the bullshit that fake guys feed to you  
Always read the stories that you hear on wikipedia  
Musically I'm demonstrating  
When I perform now it feels like I am meditating  
Times at the enterprise when some fella filmed me  
Young singer writer like a gabriella cilmi

Cos you need me man I don't need you  
You need me man I don't need you  
You need me man I don't need you  
Until you need me man I don't need you  
You need me man I don't need you  
You need me man I don't need you  
You need me man I don't need you until you  
Need me

Cause with the lyrics I'll be aiming it right  
I won't stop till my name is in light  
Stadium heights with damien rice  
Some red carpets, now I'm on arabian nights  
Because I'm young and know my brothers gonna give me advice  
Long nighter, sure hi, I'm never going hyper  
Never be anything but a singer-songwriter  
The games over but now I'm on a new level  
Watch how I step on the chart with the alou paddle  
People think that I'm bound to blow up  
I've gone around about a thousand shows  
But I haven't got a house cause I live on the couch  
So you could be the lyrics when I'm singing the mouth  
Wow, from day one, I've been prepared  
To be your five wax for my ginger hair  
So now I'm back to this sofa forgiving a dose of what  
The future holds  
Cause it's another day, plus

I'll keep my last name forever keep the genre  
Pretty basic  
And ill be breaking into other people tunes when I chase it  
And replace it with the elephant in the room with a facelift  
Into another rapper shoes using new laces  
I'm selling cd's from my rucksack aiming for the papers  
Selling cd's from my rucksack aiming for the majors  
Nationwide till we just jacked and just get the bus back ?  
Clean cut kid without a razor for the moustache

I hit back when the pen hurts me  
I'm still a choir boy in a fenchurch tee  
I'm still the same as a year ago  
But more people hear me though  
According to the myspace and youtube videos  
I'm always doing shows if not I'm in the studio  
Truly broke never growing up call me ruffio  
Melody music maker, reading all the papers  
They say I'm up and coming like I'm fucking in  
An elevator

Cos you need me man I don't need you  
You need me man I don't need you  
You need me man I don't need you  
Until you need me man I don't need you  
You need me man I don't need you  
You need me man I don't need you  
You need me man I don't need you until you  
Need me

Man, I don't need you
