Lightning Strikes

Lou Christie

Listen to me, baby, you got to understand You're old enough to know the makings of a man Listen to me, baby, it's hard to settle down Am I asking too much for you to stick around Every boy wants a girl He can trust to the very end Baby, that's you Won't you wait but 'til then When I see lips beggin' to be kissed (Stop!) I can't stop (Stop!) I can't stop myself (Stop! Stop!) Lightnin's striking again Lightnin's striking again Nature's takin' over my one-track mind Believe it or not, you're in my heart all the time All the girls are sayin' that you'll end up a fool For the time being, baby, live by the rules When I settle down I want one baby on my mind Forgive and forget And I'll make up for all lost time If she's put together fine and she's readin' my mind (Stop!) I can't stop (Stop!) I can't stop myself (Stop! Stop!) Lightnin's striking again Lightnin's striking again and again and again and again Lightnin's striking again Lightnin's striking again There's a chapel in the pines Waiting for us around the bend Picture in your mind Love forever, but 'til then If she gives me a sign that she wants to make time (Stop!) I can't stop (Stop!) I can't stop myself (Stop! Stop!) Lightnin's striking again Lightnin's striking again and again and again and again Lightnin's striking again and again and again and again
