

Until I Found You

Kelton French

No One To Have A Coke With
No One To Even Joke With
No One To Call My Own No Tender Hugging
No Cozy Time Of Loving
No One To Call My Own Until I Found You
I Was So Blue
I Had No One Like You
Didn't Know What To Do
Until I Found You
I Had No Clue
How To Ever Love Again No One To Play With
No One To Pray With
No One To Call My Own No One To Send Flowers
No One To Tease In The Shower
No One To Call My Own Until I Found You
I Was So Blue
I Had No One Like You
Didn't Know What To Do
Until I Found You
I Had No Clue
How To Ever Love Again Until I Found You
I Was So Blue
I Had No One Like You
Didn't Know What To Do
Until I Found You
I Had No Clue
How To Ever Love Again Until I Found You
I Was So Blue
I Had No One Like You
Didn't Know What To Do
Until I Found You
I Had No Clue
How To Ever Love Again I Had No Clue
How To Love Again
