

I Want You

Nick Jonas

Motherfucker never loved me
Motherfucker never loved me
So I'll take it back, what I deserve
'Cause I deserve better
And you say you never need me
Yeah you say you're gonna leave me
Well I'd like to see, you trying babe 'Cause I ain't gonna let you go
Moving on, gotta take control
Staying strong, but it's taking all
Can't go back, never going back, back, back I want you and no one else
I want you for myself
I want you, and nothing else, but you
I know I'm acting confused
I got nothing to lose
I want you, and if I can't have you
Then no one will So when you think about me
I know you think about me
Does it scare you that, I know everything
And I won't keep quiet
You got the key to my heart yeah
I got the key to your apartment
Would you let me in, or I'm breaking in 'Cause I ain't gonna let you go
Moving on, gotta take control
Staying strong, but it's taking all
Can't go back, never going back, back, back I want you and no one else
I want you for myself
I want you, and nothing else, but you
I know I'm acting confused
I got nothing to lose
I want you, and if I can't have you Oh If I say I'm with someone else
I would lose my head
If I had your love for myself
Don't know what I'd do (don't know what I'd do) I want you and no one else
I want you for myself
I want you, I want you
And nothing else, but you I'll never let you go (na-na-na-na)
Hey (na-na-na-na)
I'll never let you go (na-na-na-na)
Woah (na-na-na-na)

Never let you go (na-na-na-na)
Hey (na-na-na-na)
I'll never let you go (na-na-na-na) I want I want you and no one else
I want you for myself
I want you, and nothing else, but you (baby)
I know I'm acting confused
I got nothing to lose
I won't choose
And if I can't have you, if I can't have you Oh If I say I'm with someone else
I would lose my head
If I had your love for myself
Don't know what I'd do (don't know what I'd do) I want you and no one else
I want you for myself
I want you, and nothing else, but you
And nothing else but you
