Judith

A Perfect Circle

You're such an inspiration for the ways
That I'll never ever choose to be
Oh so many ways for me to show you
How the savior has abandoned you
Fuck your God
Your Lord and your Christ
He did this
Took all you had and
Left you this way
Still you pray, you never stray

Never taste of the fruit
You never thought to question whyIt's not like you killed someone
It's not like you drove a hateful spear into his side

Praise the one who left you
Broken down and paralyzed
He did it all for you

He did it all for youOh so many many ways for me to show you How your dogma has abandoned you

Pray to your Christ, to your god Never taste of the fruit Never stray, never break Never---choke on a lie

Even though he's the one who did this to you You never thought to question whyNot like you killed someone It's Not like you drove a spiteful spear into his side

Talk to Jesus Christ
As if he knows the reasons why
He did it all for you
Did it all for you
He did it all for you..
