

Forever 1999

Prozzak

We are all grown up
We can do whatever we want
We can do whatever we want
Eh eh eh We are all grown up
We can do whatever we want
We can do whatever we want
Eh eh eh Remember the way we used to run?
Sneaking out til the morning sun
Oh yeah
Your hair was crazy and I loved you so
Slim shady playing on the radio
Oh yeah
Feels like we're still the same inside
They can laugh and say we're blind
As long as I've got you
Forever 1999 Hey! Where did time go?
Can't believe it was us so long ago
Ooo woah
Hey! It sure did fly
Never saying goodbye
And here we are together We are all grown up
We can do whatever we want
We can do whatever we want
Eh eh eh We are all grown up
We can do whatever we want
We can do whatever we want
Eh eh eh
We got a little drunk at the senior prom
Couldn't drive home, had to call your mom
Oh yeah
Remember you worked at the little cafe
Spent our nights out at the rave
Oh yeah Feels like we're still the same old kids
Doing those things we always did
As long as you're by my side
Forever 1999 Hey! Where did time go?
Can't believe it was us so long ago
Ooo woah
Hey! It sure did fly

Never saying goodbye
And here we are togetherWe are all grown up
We can do whatever we want
We can do whatever we want
Eh eh ehWe are all grown up
We can do whatever we want
We can do whatever we want
Eh eh ehRemember the time you ran away?
Thank God you came back to stay
Oh yeahAnd I'm so happy I get to spend
Life with you until the end
I see you in the sunshine
Forever 1999Hey! Where did time go?
Can't believe it was us so long ago
Ooo woah
Hey! It sure did fly
Never saying goodbye
And here we are togetherWe are all grown up
We can do whatever we want
We can do whatever we want
Eh eh ehWe are all grown up
We can do whatever we want
We can do whatever we want
Eh eh ehWe are all grown up
We can do whatever we want
We can do whatever we want
Eh eh eh
