Do You Feel It Too

Poco

Thought a girl was a girl and then
I found myself in love again
Yes, Ive been in love a time or two
But it never happened like it did with you
Do you feel it, too?Yeah, my heart just went for, for a ride
Certain feelings you just cant hide
I thought I knew a thing or two
About the ways of the girls, ahBut not like you
Baby, do you feel it, too?Please remember how
I feel about you
Let me know right now
That Im pleasing you
