ARI

You can't run away  
Can't run away from  
The lies and pain  
Covered in makeup  
Can't catch a break  
A classical shake-up

You're in a dream- you're lucid so wake up. You're In a dream- You're lucid so wake up x4I pushed her into the  
water

I raised the dead that day.I stopped this, I stopped this

I let it all fall through.

When did this- this happen

What does it mean to you?I pushed her into the water

I raised the dead that day.I let this all happen

I kept it up for so long.

I ruined- ruined this

To sing the same old song.I pushed her into the water

I raised the dead that day.Sometimes it's better to burn your bridges

Instead of going back to bury them.Bad blood ain't shit until you start drinking,

Bad blood ain't shit until you start drinking it all.

Bad blood ain't shit until you start drinking.

Bad blood ain't shit until you start drinking it down. x2
