

# Knock Me Down (2003 Digital Remaster)

## Red Hot Chili Peppers

Never too soon to be through  
Being cool too much too soon  
Too much for me too much for you  
You're gonna loose in time Don't be afraid to show your friends that you hurt inside, inside  
Pain's part of life, don't hide behind your false pride  
It's a lie, your lie If you see me getting mighty if you see me getting high  
Knock me down  
I'm not bigger than life If you see me getting mighty if you see me getting high  
Knock me down  
I'm not bigger than life I'm tired of being untouchable  
I'm not above the love  
I'm part of you and you're part of me  
Why did you go away  
Finding what you're looking for  
Can end up being being such a bore  
I pray for you most every day my love's with you now fly away If you see me getting mighty, if you see me  
getting high  
Knock me down  
I'm not bigger than life If you see me getting mighty, if you see me getting high  
Knock me down  
I'm not bigger than life If you see me getting mighty, if you see me getting high  
Knock me down  
I'm not bigger than life If you see me getting mighty, if you see me getting high  
Knock me down  
I'm not bigger than life If you see me getting mighty, if you see me getting high  
Knock me down  
I'm not bigger than life If you see me getting mighty, if you see me getting high  
Knock me down  
I'm not bigger than life If you see me getting mighty, if you see me getting high  
Knock me down  
I'm not bigger than life It's so lonely when you don't even know yourself  
It's so lonely  
It's so lonely when you don't even know yourself  
It's so lonely  
It's so lonely when you don't even know yourself  
It's so lonely
