

# Whiskey and Wimmen'

## Canned Heat

Whiskey and Wimmin almost wrecked my life  
Whiskey and wimmin almost wrecked my life  
Weren't for whiskey and wimmin, i have money today (play \*Tag\*)

Nightlife Nightlife Nightlife  
ain't no good ain't no good for me  
I had a good start but wimmin and whiskey tore it down

Whiskey and Wimmin ain't no good for me  
Whiskey and wimmin ain't no good ain't no good for me  
I had a lot of money, and big fine car, but I lost everything I had
