You Can Do Anything

forever JONES

You can Do anything
I know (You can do anything)
I know (You can do anything)
I know (You can do anything)
Far as the eye canBeyond my wildest dreams
You can do anything
You can,Yes You can, I believe it Jesus, You can do anything
I know (You can do anything)
I know (You can do anything)
I know (You can do anything)Far as the eye can
Beyond my wildest dreams
You can do anything
Blind eyes healed, Lame to walk
Part the Red Sea, You delivered me
Two fish, five loaves of bread
Five thousand soldier fed
Turn my mourning into dancing
Walked on water, Turned water into wine
God of creation, Savior divine
Far as the eye can
Beyond my wildest dreamsYou can do anything
You can do anything, Yes you can (Yes you can),
Yes you can, I know I know You can
Ive seen too much
I heard too much
I know too muchAbout the power of the Holyghost
It saves too the utmost
Oh, Ive seen too much
I heard too much
I know too muchAbout the power of the Holyghost
It saves too the utmost
Blind eyes healed, Lame to walk
Part the Red Sea, You delivered me
Two fish, five loaves of bread
Five thousand soldier fed
Turn my mourning into dancing
Walked on water, Turned water into wine
God of creation, Savior divine
Far as the eye can

Beyond my wildest dreams
You can do anythingBlind eyes healed, Lame to walk
Part the Red Sea, You delivered me
Two fish, five loaves of bread
Five thousand soldier fed
Turn my mourning into dancingWalked on water, Turned water into wine
God of creation, Savior divine
Far as the eye can
Beyond my wildest dreams
You can do anything
