

# Traveler

## My Buddy Moose

Creature, that howling in darkness  
Winged monster  
You know it came for me  
Tearing apart my soul  
From deepest parts of earth  
I feel the Unholy  
No prayer can save my soul and flesh  
The Gate Outside are openedNow I'm gone and dead  
The one beyond redemptionThe Passenger  
The ancient Traveler  
No Enki, nor MardukIn the light of JupiterNo muzzle can save me  
Down to the underworld  
From Alla Xul  
Amongst venomous vitriolead: Mauser  
Hideous bulksTorture my soul  
Why I have become a part of this?
