

# Don't Wanna Leave You

B5

[Intro:][Patrick:]Hey  
Ohh, ohh, oh  
[Dustin:]Break it down on time, time  
[Patrick:]Hey  
Ohh, ohh, yeah ( Ohhhh )  
[Verse: Dustin]Girl when you and I together  
The world don't matter  
It's like I'm in a dream baby, yeah  
Cause you cooler than a winter  
And you're hotter than a summer  
And I don't wanna let you go, baby, yeah  
[Hook: Carnell]Cause I love everything about you  
No complaining from you, at all  
Our chemistry is so strong  
I wish it was reality and always stay next to me, yeah  
[Chorus:]Cause I don't wanna leave you yet  
I don't wanna leave you yet  
I wanna stay with you, yeah  
Here's what I wanna be, you're the only one I see  
Cause I don't wanna leave you yet  
I don't wanna leave you yet  
I wanna stay with you, yeahhh  
Cause girl being with you is enough  
[Verse: Patrick]Come here girl lemme hold you ( hold you )  
And tell you how much I love you  
I wanna show you, you belong to me, yeahh ( you belong to me, yeah )  
I wanna be that man you love ( wanna be that man you love )  
The only one you're thinking of ( be the one you're thinkin' of )  
It's okay, you're secure with me  
[Hook: Carnell]Cause I love everything about you ( I love, 'bout you)  
No complaining from you, at all ( at all )  
  
Our chemistry is so strong  
I wish it was reality and always stay next to me ( yeah, yeah )  
[Chorus:]Cause I don't wanna leave you yet  
I don't wanna leave you yet  
I wanna stay with you, yeah  
Here's what I wanna be, you're the only one I see  
Cause I don't wanna leave you yet

I don't wanna leave you yet  
I wanna stay with you, yeahhh  
Cause girl being with you is enough  
[Rap: Kelly]Unh, you're like stars in the heavens  
On a 1 to 10, you're an 11  
Asking myself can I last without you  
Laughing at my bad jokes  
Girl you're my world, how that happen?  
Things have gotten crazy since I met you  
And I love it, was it the day you said  
I love you like a dozen times  
[?] I don't know, but it doesn't even matter  
Just happy we're together, hopefully forever  
[Bridge: Patrick]I don't know what I would do without you ( Ahhhh )  
I need time to slow down when I'm with you ( Ahhhh, when I'm with you )  
[Chorus: 2X]Cause I don't wanna leave you yet  
I don't wanna leave you yet  
I wanna stay with you, yeah  
Here's what I wanna be, you're the only one I see  
Cause I don't wanna leave you yet  
I don't wanna leave you yet  
I wanna stay with you, yeahhh  
Cause girl being with you is enough  
[Outro:]Na na na na  
Na na na na  
Na na na na  
Na na na na  
Na na na na
