

# Bloodstained and Sworn

## Winds

In an instant our fates were sealed  
With no option of repent  
In the night, so far away  
Out of harms reach, is this where I belong? Here I stand in the midst of it all  
While I look behind  
And all I see is that broken tree of old  
Alone in the cold  
Cast aside by a moment in time  
Derived by a quest in wonder  
I see shadows against the stars as they draw nearer  
The moon like a painting in the water  
What do I search for in the distance?  
This memory haunts me still  
The memories I once had  
Dreamlike shadows  
Now washed away by the rivers of time  
The darker side of the two  
This is the reason why  
It is all written in blood
