

It's Not the Fall That Hurts

Caesars

All my life I've been fall-fall-falling apart
Been tumbling down quick first right from the start
I never learned just get up and go on
Until I'm just knocked right off of my feet But it's not the fall that hurts
It's when you hit the ground
'Cause it's not the fall that hurts
It's when you hit the ground Stumblin' with every step I take
And it seems I can't get a grip
I'm soon gonna slip and then I look down
I see the fur ground is closening fast again and then boom But it's not the fall that hurts
It's when you hit the ground
'Cause it's not the fall that hurts
It's when you hit the ground Fall-fall-fall-fall-fall-fall-fall-falling apart
Fall-fall-fall-fall-fall-fall-fall-falling apart
Fall-fall-fall-fall-fall-fall-fall-falling apart
Fall-fall-fall-fall-fall-fall-fall-falling apart It's when you hit the ground
But it's not the fall that hurts
It's when you hit the ground
'Cause it's not the fall that hurts It's when you hit the ground
But it's not the fall that hurts
It's when you hit the ground
'Cause it's not the fall that hurts
It's when you hit the ground
