

The Only Thing That Looks Good on Me Is You

[Bryan Adams](#)

Try it on babe Well I don't look good in no Armani Suits
No Gucci shoes or designer boots
I've tried the latest lines from A to Z
But there's just one thing that looks good on me The only thing I want
The only thing I need
The only thing I choose, yeah
The only thing that looks good on me is you I'm not satisfied with Versace style
Put those patent leather pants in the circular file
Sometimes I think I might be lookin' good
But there's only one thing that fits like it should The only thing I want, yeah
The only thing I need
The only thing I choose, yeah
The only thing that looks good on me is you Yeah, it's you, it could only be you
Nobody else will ever do
Yeah, baby it's you that I stick to
Yeah, we stick like glue The only thing I want
The only thing I need
The only thing I choose, yeah
The only thing that looks good on me is you The only thing I want, yeah
The only thing I need
The only thing I choose, yeah
The only thing that looks good on me is you The only thing I want
The only thing I need
The only thing I choose
The only thing that looks good on me is you Oh oh oh
Yeah, hit it, oh
Yeah yeah, you
The only thing that looks good on me is you, yeah
The only thing I want
The only thing I need
