Somebody Else

The 1975

[Verse 1]
So I heard you found somebody else
And at first, when I thought it was a lie
I took all my things that make sounds
The rest I can do without[Chorus]
I don't want your body
But I hate to think about you with somebody else
Our love has gone cold
You've intertwined your soul with somebody elseI'm looking through you
While you're looking through your phone
And then leaving with somebody else
I don't want your body but
I'm picturing your body with somebody else[Verse 2]
And c'mon baby
This ain't the last time that I see your face
And c'mon baby
You said you'd find someone to take my place[Pre-Chorus]
I just don't believe that you have got it in you
Cause we are just gonna keep din' it and every time
I start to believe in anything you're saying
I'm reminded that I should be getting over it[Chorus]
I don't want your body
But I hate to think about you with somebody else
Our love has gone cold
You've intertwined your soul with somebody elseI'm looking through you
While you're looking through your phone
And then leaving with somebody else
I don't want your body but
I'm picturing your body with somebody else[Bridge]
Got someone you love?
Get someone you need?
Fuck that, get money
I can't give you my soul
Cause we're never alone
Got someone you love?
Get someone you need?
Fuck that, get money
I can't give you my soul
Cause we're never alone

Got someone you love?
Get someone you need?
Fuck that, get money
I can't give you my soul
Cause we're never alone
Got someone you love?
Get someone you need?
Fuck that, get money
I can't give you my soul
Cause we're never alone[Guitar Solo][Chorus]
I don't want your body
But I hate to think about you with somebody else
Our love has gone cold
You've intertwined your soul with somebody elseI'm looking through you
While you're looking through your phone
And then leaving with somebody else
I don't want your body but
I'm picturing your body with somebody else
