

# More Than a Heart Can Stand (Stereo)

Marvin Gaye

[Chorus]

Ooh it's more than a heart can stand  
It's more than a heart can stand, yes it is[Verse 1]  
Oh my days were dark as night but the sunshine of your love  
Baby, baby, brought light to me  
I was lost, oh hopeless though  
But like a blessing from above, you gave new life to me  
Ooh now you say you're leaving  
You say you're taking my sunshine away  
Oh I can see the loneliness closing in on me[Chorus]  
Ooh and it's more than a heart can stand  
It's more than a heart can stand, yes it is  
Losing you is more than a heart can stand, yes it is, yes it is  
More than a heart can stand, yes it is[Verse 2]  
If I thought that crying would change your mind  
Ooh baby, don't you know I'd cry a million tears  
If I thought that lying would persuade you not to leave me  
Ooh baby, oh I'd lie for a million years  
Can't we talk it over, can't we make amends  
Please don't lock me up in loneliness again[Chorus]  
Ooh it's more than a heart can stand  
Oh it's more than a heart can stand, yes it is  
Losing you is more than a heart can stand, yes it is, yes it is  
More than a heart can stand, yes it is[Verse 3]  
Oh now that you've brought me out of loneliness  
Oh please, baby please, don't take my happiness  
You know that I love you, no matter what you do  
But what would I do without you?[Chorus]  
It's more than a heart can stand  
Oh it's more than a heart can stand, yes it is  
Losing you is more than a heart can stand, yes it is, yes it is  
It's more than a heart can stand, yes it is
