Sign Your Name

Soundtrack

Fortunately you have got
Someone who relies on you
Started out as friends
But the thought of you just caves me in
Symptoms are so deep
It is much too late to turn away
Started out as friends
Sign your name across my heart
I want you to be my baby
Sign your name across my heart
I want you to be my lady
Time I'm sure will bring
Disappointments in so many things
It seems to be the way
When you're gambling cards on love you play
I'd rather be in hell with you baby
Than in cool heaven
It seems to be the way, girl, sign
Sign your name across my heart
I want you to be my baby
Sign your name across my heart
I want you to be my lady
Birds never look into the sun
Before the day is gone
Oh the light shines brighter on a peaceful day
Stranger blue leave us alone
We don't want to deal with you
We'll shed our stains showering
In the room that makes the rain
All alone with you
Makes the butterflies in me arise
Slowly we make love
And the earth rotates to our dictates
Slowly we make love
Sign your name across my heart
I want you to be my baby
Sign your name across my heart
I want you to be my lady
Sign your name across my heart

I want you to be my baby
Sign your name across my heart
I want you to be my lady
Sign your name across my heart
