

# Hands Off (Remastered)

Betty Everett

take your hands off of him  
he don't belong to you  
Keep your hands off of him  
he don't belong to you  
he's mine, o mine, no matter what you do  
he's long, lean and lanky  
sweet as he can be  
hands off of him, he belongs to me  
Hands off of him, he don't belong to you  
he's mine, o mine, no matter what you do
