

God-Shaped Hole (2010)

Plumb

Every point of view has another angle
And every angle has its merit
But all comes down to faith
That's the way I see it You can say that love is not divine and
You can say that life is not eternal
"All we have is know"
But I don't believe it There's a God-shaped hole in all of us
And the restless soul is searching
There's a God-shaped hole in all of us
And it's a void only he can fill Does the world seem gray with empty longing
Wearing every shade of cynical
And do you ever feel that
There is something missing?
