

# Born That Way

David Lee Murphy

(david lee murphy/jimbeau hinson)

Came out swingin' and a kickin' with my heels dug in  
Puttin' up a fight like they ain't seen since  
The doctor held me up looked me in the face  
Said he didn't have to slap me but he did it anyway  
I don't know why  
Just born that way  
No I don't know why  
Just born that way  
No I never had nothin' and I know I never will  
All my daddy left me was a funeral bill  
If something's too easy something's wrong I know

'cause I was born the gift of a hard way to go  
I don't know why  
Just born that way  
No I don't know why  
Just born that way  
You know all in all it ain't such a bad lot  
You learn to live with what little you got  
Never had a job that didn't stink  
Never really cared what anybody thinks  
I don't know why  
Just born that way  
No I don't know why  
Just born that way
