Inhale Exhale

Stevie Kincade, The Ranger, Pops Ghostly & Blip

Inhale resolve, Exhale ambition
Inhale all I need, Exhale all I want
Inhale love of life, Exhale fear of death
Inhale power, Exhale forceI have all I need
I can live without
I have what I need
I can live withoutInhale tolerance, Exhale judgement
Inhale what I am, Exhale what I think I amI have all I need
I can live without
I have all I need
I can live withoutDon't hold me down
Don't hold me down
Don't hole me downInhale fact, Exhale assumption
Inhale what I want to be, Exhale what I want to be seenDon't hold me down
Don't hold me down
Don't hole me downI have all I need
I can live without
I have what I need
I can live withoutI have all I need
I can live without
I have all I need
I can live without
I can live without
I can live without
I can live without
