

Save a Place For Me

Matthew West

Don't be mad if I cry
It just hurts so bad sometimes
'Cause everyday it's sinking in
And I have to say goodbye all over again You know, I bet it feels good to have the weight of this world
Off your shoulders now
I'm dreaming of the day
When I'm finally there with you Save a place for me, save a place for me
I'll be there soon, I'll be there soon
Save a place for me, save some grace for me
I'll be there soon, I'll be there soon I have asked the questions why
But I guess the answer's for another time
So instead I'll pray with every tear
And be thankful for the time I had you here So you just save a place for me, save a place for me
I'll be there soon, I'll be there soon
Save a place for me, save some grace for me
I'll be there soon, I'll be there I wanna live my life just like you did
And make the most of my time just like you did
And I wanna make my home up in the sky just like you did
Oh, but until I get there, until I get there Just save a place for me, save a place for me
'Cause I will be there soon
Save a place for me, save a place for me
I'll be there soon, I'll be there soon Don't be mad if I cry
It just hurts so bad
