

Saturday night club

Hurricanes

Heres comes Jimmy , don't you know
Got no rocking , ain't got no blow
Another chicken , another hen
Rock on baby
Hey hey hey
Rock with me leader
Slowly
Down the road
Pick up
Do you rock and roll
Hello lover , don't be bad
Don't just sit there , make me mad
Another rooster , another goose
Rock me baby
Hey little saturly night club
Another saturly night
C'mon little saturly night club
One more saturday night
Hey hey hey....
