Brace Yourself

Howie Day

So you think
You can hold the world up by a string
With all that you have
And I would hold
Every part of you if I could holdAnd I'm on and I'm on again
Brace yourself
With all that you have
And oh, I'm in love again
Brace yourself nowSo you feel
Anything and everything could be
All that you wanted
Stay with me
I'm in no condition to be aloneAnd I'm on and I'm on again
Brace yourself
With all that you have
And oh, I'm in love again
Brace yourself nowOn and on
So it's just your false alarm
Maybe I'll hold my breath
And you'll be gone
With all that you have
And all that you wanted
With all that you have
And all that you wantedSo you think
You can hold the world up by a string
With all that you have
And I would hold
Every part of you that I could holdAnd I'm on and I'm on again
Brace yourself
With all that you have
And oh, I'm in love again
Brace yourself nowBrace with all that you have
Brace now
Brace with all that you have
Brace now
