

It's a Good Day

Cyrille Aimee

It's a good day, It's a good day Well, it's a good day, for singing a song
And it's a good day, for moving along
Yes it's a good day, how could anything go wrong
It's a good day from morning till night And it's a good day, for shining your shoes
And it's a good day, for losing the blues
Everything to gain, and nothing to lose
It's a good day from morning till night I said to the sun, Good morning sun
Rise and shine today
You know you've gotta get moving
If you're gonna get showing and you
Got the right of way
Cause it's a good day, It's a good day Yes, it's a good day, for starting anew
And it's a good day, for thinking of you
It's a good day and there's so much to do
It's a good day from morning till night And it's a good day for being yourself
Yes, it's a good day for losing yourself
It's a good day, leave your worries on the shelf
It's a good day from morning till night I said to the sun, Good morning sun
Rise and shine today
You know you've gotta get moving
If you've gotta get showing and you
Got the right of way
Cause it's a good day for paying your bills
And it's a good day, for curing your ills
So take a deep breath, and throw away the pills
Cause it's a good day, from morning till night
It's a good day, from morning till night
It's a good day, from morning till night
