

Heaven in This Hell

Orianthi

If love's a sweet passion, why does it torment?
If a bitter, oh tell me whence comes my content?
Since I suffered with pleasure, why should I complain
Or grieve at my fate when I know 'tis in vain?
Yet so pleasing the pain is, so soft is the dart
That at once it both wounds me and tickles my heart
Oh yeah I've been good for most of my life
Never struggled with a halo, wrong or right
Been around the world, crossed the stormy sea
I'm outta your spell and I can't break free, no I gave my heart, gave it all to you
But the flames of love have burned right through
Baby, baby, baby
Don't it feel like heaven, heaven in this hell
Baby, baby, baby
Don't it feel like heaven, heaven in this hell I cut this stone around my neck
And swim away from this shipwreck
Oh you kiss the lie from me
I'm outta your spell
Don't wanna break free
Baby, baby, baby
Don't it feel like heaven, heaven in this hell
Baby, baby, baby
Don't it feel like heaven, heaven in this hell Well I can't get away from you
I can't get away from you
I can't get away from you
I can't get away from you, no
Baby, baby, baby
Don't it feel like heaven, heaven in this hell
Baby, baby, baby
Don't it feel like heaven, heaven in this hell Don't it feel like heaven
Don't it feel like heaven, oh whoa
Don't it feel like heaven You make me feel like heaven, oh whoa
You make me feel like heaven, oh whoa, oh whoa
You make me feel like heaven
