Future Days

Pearl Jam

If I ever were to lose you,
I'd surely lose myself
Everything that I have here,
I've not found by myself,
Try and sometimes you'll succeed,
To make this man of me
All of my stolen missing parts
I've no need for them anymoreI believe,
And I believe 'cause I can see,
Our future days,
Days of you and meBack when I was feeling broken,
I focused on a prayer
You came deep as any ocean
Did something out there hear
All the complexities and games
No one wins, but somehow, they still play
All the missing crooked hearts
They may die, but in us they live onI believe,
And I believe 'cause I can see,
Our future days,
Days of you and meWhen hurricanes and cyclones rage,
When wind turned dirt to dust,
When floods they came or tides they raised ever,
Closer became usAll the promises at sundown,
I meant them like the rest,
All the demons used to come 'round,
I'm grateful now they've leftSo persistent in my ways,
Hey angel, I am here to stay
No resistance, no alarms, please this is just too good to be goneI believe,
And I believe 'cause I can see,
Our future days,
Days of you and me,
You and me,
It's you and me
