Know It Ain't Easy

Pretty Maids

I never thought that love would cut so deep
I guess I need a little understanding
And I wonder if the ends will meet
Can't stop this heartache
From coming my wayI've had enough I'm leaving
She said and walked away
Left me broken-hearted weeping
Tears will fall like rain todayDon't like these games you're playing
Well, easy come and easy go
I don't like these words you're saying
Am I paying the price of love?[Chorus]
You know it ain't easy
To leave someone you love
It takes more than a feeling
To leave someone you loveYeah, sure it doesDon't have to say you're sorry
That the two of us are breaking up
No you don't even have to say you worry
'Cause I refuse to give it upDon't like these games.....[Chorus]I'm a prisoner to loveDo you really want to see me hurt
Now does it have to be that complicated
Can't you see my heart is bleeding girl
I can't believe it baby
I can't believe it baby oh no[Chorus]
