Savage

Tom & Collins

I did the same thing to my love
You give me something extra(ahhhh)
That dirty ????? like I never seen
Can I get between?
Take me with every beat, like
(Oooooh yeah, ooooo ye, ah ah
Yeeeaaa, oh ah, ah)x2
(Yeeeaa, oh ah, ah ah)
Just pick a time cause I know a place
Where we could get a taste
Open your mouth whatever you say
I wish you have your way

(Savage)x3

(I did the same thing
I did the same)x2

Savage

(Oooooh yeah, ooooo ye, ah ah
Yeeeaaa, oh ah, ah)x2
(Yeeeaa, oh ah, ah ah)

Just pick a time cause I know a place
Where we could get a taste
Open your mouth whatever you say
I wish you have your way

(Savage)x9

(I did the same thing to my love
I did the same
Savage)x2
