

You Stepped Into My Life

Bee Gees

You stepped into my life
And I'm oh, so happy
You stepped into my life
And I'm oh, so happy
Stepped into my life
Stepped into my life
And I'm oh, so happy You stepped into my life
And I'm oh, so Before you came my way
I always checked this out
So much pain in love
And so alone inside
I never thought that I'd
Believe in love so much
But darling when you came
Close to me suddenly, suddenly You stepped into my life
And I'm oh, so happy
You stepped, into my life
And I'm oh, so happy
You stepped into my life
Stepped into my life
Stepped into my life
Oh, crazy man You stepped into my life
And I'm oh, so happy
You stepped, into my life
And I'm oh, so You will never know
What you have done, my love
You gave me so much more
And my love is worthy of
Beneath my very soul
I kneel before your touch
Your touch is ecstasy
Close to me suddenly, suddenly You stepped into my life
And I'm oh, so happy
You stepped, into my life
And I'm oh, so happy
You stepped into my life
Stepped into my life
Stepped in my life You stepped
You stepped

You stepped
