

It Will Rain (Bruno Mars Cover)

Boyce Avenue

If you ever leave me, baby,
Leave some morphine at my door
Cause it would take a whole lot of medication
To realize what we used to have,
We dont have it anymore.
Theres no religion that could save me
No matter how long my knees are on the floor
So keep in mind all the sacrifices Im makin
To keep you by my side
To keep you from walkin out the door.
Cause therell be no sunlight
If I lose you, baby
Therell be no clear skies
If I lose you, baby
Just like the clouds
My eyes will do the same, if you walk away
Everyday, itll rain, rain, rain
Ill never be your mothers favorite
Your daddy cant even look me in the eye
Ooh, if I was in their shoes, Id be doing the same thing
Sayin There goes my little girl
Walkin with that troublesome guy
But theyre just afraid of something they cant understand
Ooh, but little darlin watch me change their minds
Yeah for you Ill try Ill try Ill try Ill try
Ill pick up these broken pieces til Im bleeding
If thatll make you mine
Cause therell be no sunlight
If I lose you, baby
Therell be no clear skies
If I lose you, baby
Just like the clouds
My eyes will do the same, if you walk away
Everyday, itll rain, rain, rain.
Oh, dont just say (dont just say) goodbye (goodbye),
Dont just say (dont just say) goodbye (goodbye)
Ill pick up these broken pieces til Im bleeding
If thatll make it right
Cause therell be no sunlight

If I lose you, baby
There'll be no clear skies
If I lose you, baby
Just like the clouds
My eyes will do the same, if you walk away
Everyday, it'll rain, rain, rain
