

# Let Go

## Grey Holiday

Ive been holding on  
To things like dreams that never seem to die  
And Im not so strong to lay them down  
And say my goodbyes  
How do you say goodbye?If theres a remedy  
A break from all my vanity  
Then Im gonna need your helpIf theres hope for me  
Pull me down to my knees  
Where Im begging for your helpTo let go  
(To let go, to let go, to let go)  
To let go  
(To let go, to let go, to let go)Its so unnatural  
To let all that Ive planned just slip away  
But I would be a fool  
To tighten up my hands and be afraid  
What I need is faithIf theres a remedy  
A break from all my vanity  
Then Im gonna need your helpIf theres hope for me  
Pull me down to my knees  
Where Im begging for your helpTo let go  
(To let go, to let go, to let go)  
To let go  
(To let go, to let go, to let go)Im walking right up to the edge  
Im bringing everything thats left of me  
I throw myself into your love  
Youll be the one to lift me up again  
As I let goIf theres a remedy  
A break from all my vanity  
Then Im gonna need your helpIf theres hope for me  
Pull me down to my knees  
Where Im begging for your helpTo let go  
(To let go, to let go, to let go)  
To let go  
(To let go, to let go, to let go)To let go  
(To let go, to let go, to let go)  
To let go  
(To let go, to let go, to let go)
