

Wise Enough (Live With The Amsterdam Sinfonietta)

Lamb

I had a dream that all of time was running dry
and life was like a comet falling from the skyI woke so frightened in the dawning, oh so clear
How precious is the time we have hereAre we not wise enough to give all we are?

Surely we're bright enough to outshine the stars
The human kind gets so lost in finding its way

but we have a chance to make a difference til our dying dayAnd you might pray to God, or say it's Destiny
But I think we are just hiding all that we can beAre we not wise enough to give all we are?

Surely we're bright enough to outshine the stars
The human kind gets so lost in finding its way

but we have a chance to make a difference til our dying dayAll I'm really asking is: what are we doing here?
Are we just killing time? Just living year to year?In this big world, no one else can play our part

Ain't it time to just wake up and give it allAre we not wise enough to give all we are?
Surely we're bright enough to outshine the stars

The human kind gets so lost, and in finding its way

we have a chance to make a difference til our dying daywe have a chance to make a difference til our dying day
we have a chance to make a difference til our dying day
