

Burning

Accept

I hear a rock 'n' roll guitar
Screamin' wild on the radio
Well, I know what I like
Know and it's right
Gotta take me through the nightThe sound is comin' out
It's breakin' down the doors
Like an earthquake
Explodin' your brains
Do it again, power is a natural rightI say, hey rock 'n' roller
Power in your hands
You and your music
Right on rockin' manYou gotta hear it for a while
It bowls you ever like dreamin'
Oh, hell what a night
Keep a rockin' on tight
Hey, boy can't you see the lightI say, hey rock 'n' roller
Power in your hands
You and your music
Make me rockin' madBurning, burning
Burning just like fire
Burning, burning
Burning just like fireBurning, burning
Burning just like fire
Burning, burning
Burning just like fireI say, hey rock 'n' roller
Power in your hands
You and your music
Make me rockin' madBurning, burning
Burning just like fire
Burning, burning
A rock 'n' roll desireBurning, burning
Burning just like fire
Burning, burning
A rock 'n' roll desireBurning, burning
Burning just like fire
Burning, burning
Burning just like fireI say, hey rock 'n' roller
Power in your hands
You and your music

Right on rockin' man Burning, burning
Burning just like fire
Burning, burning
Burning just like fire Burning, burning
Burning just like fire
Burning, burning
Burning just like fire
