Waiting

The Whigs

There's a surgical light
And a shaky hand
Two takes awake, she's off with the evening's manAnd i'm waiting for the time to ask you
Waiting
Waiting
More than i can handle love
Woman i'll loveCause you gotta bring it back to where the roots still grow
Deep underneath the light
Trapped within your soul
And i'm waiting for the time to ask you
Waiting
Waiting
More than i can handle love
Woman i'll loveCause you gotta bring it back
Yeah you gotta bring it back
Yeah you gotta gotta gotta gotta gotta gotta bring it back
Or else you're living a lie
Or else you're living a lie
Or else you're living a lie
Or else you're living a lie
Cause i'm waiting
Yeah i'll be waiting
Cause i'm waiting
I'll be waiting
