Coming Home

The 88

Wont you be safe
Wont you be true
I lie awake just thinking of you
I'm all alone
Honey, come home'Cause when you're here
I feel like myself
And when you're not, I'm somebody else
I got it bad honey please come backBecause you need a place to say
and I've been feeling dead since you went away
You better believe what I tell you 'cause you're coming homeWon't you be good to yourself
And don't you feel like coming home
It'd be good
It'll be like coming home
And tell me that you wanna be
with nobody else but me
It'd be good
It'll be like coming homeSend me a letter
pick up a phone
Make me feel better--don't leave me alone
'Cause I'm feeling sick
Honey, please come quickBecause you need a place to stay
And I've been feeling dead since you went away
You better believe what I tell ya 'cause you're coming homeWon't you be good to yourself
And don't you feel like coming home
It'd be good
It'll be like coming home
and tell me that you wanna be
With nobody else but me
It'd be good
It'll be like coming homeIt's not for show
It's not the temper
And I pray
And I hope
It's nothing new
It's up to you
And when I feel it
I hope you feel it, too
[Did ya hear it?]
Yes, I heard it

And I think she's coming home to me-e-e-e-e
YEAH!La La La La
La La La
La La La La
La La La
La La La La-a
La La La La
La La LaWon't you be good to yourself
And don't you feel like coming home
It'd be good
It'd be like coming home
Tell me that you're coming home
Tell me that you're coming home
Tell me that you're coming home
Tell me that you're coming ho-o-ome
