## I Can't Hate You Anymore

## **Nick Lachey**

An empty room can be so deafening
The silence makes you wanna scream
It drives you crazyI chased away the shadows of your name
And burned the picture in a frame
But it couldn't save meAnd how could we quit something

We never even tried?

Well you still can't tell me whyWe built it up

To watch it fall

Like we meant nothing at allI gave and gave

The best of me

But couldn't give you what you needYou walked away
You stole my life

Just to find what you're looking forBut no matter how I try I can't hate you anymore

I can't hate you anymoreYou're not the person that you used to be

The one I want who wanted me

And that's a shame butThere's only so many tears that you can cry Before it drains the light right from your eyes

And I can't go on that wayAnd so I'm letting go

Of everything we were

It doesn't mean it doesn't hurtWe built it up

To watch it fall

Like we meant nothing at allI gave and gave

The best of me

But couldn't give you what you needYou walked away
You stole my life

Just to find what you're looking forBut no matter how I try I can't hate you anymoreSometimes you hold so tight

It slips right through your hands

Will I ever understand?We built it up

To watch it fall

Like we meant nothing at allI gave and gave

The best of me

But couldn't give you what you needYou walked away
You stole my life

Just to find what you're looking forBut no matter how I try
I can't hate you anymoreWe built it up

To watch it fall

Like we meant nothing at allI gave and gave

The best of me
But couldn't give you what you needYou walked away
You stole my life
Just to find what you're looking forBut no matter how I try
I can't hate you anymore
